MEMORANDUM FOR THE RECORD

SUBJECT: Concurrence in Contract No. HF-B-5111F with Baird-Atomic, Inc., Cambridge, Mass., Project [REDACTED]

25X1A

1. This memorandum contains a recommendation submitted for approval of the Special Assistant to the Director for Planning and Development. Such recommendation is set forth in Paragraph 5.

2. Contract No. HF-B-5111F with Baird-Atomic, Inc. is being issued on behalf of the Air Force for the procurement of five (5) additional Navigational Sextants. These units are to be installed in the five (5) additional U-2 aircraft recently procured for the Air Force. Contract is being issued on a straight fixed-price basis and deliveries are to be completed by January 1959.

25X1A 3. This Contract No. HF-B-5111F obligates an amount of [REDACTED] chargeable during Fiscal Year 1959 to funds previously transferred to the Agency by the Air Force. By concurrence to this memorandum, the Comptroller signifies that sufficient funds are available for this additional obligation.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956, which in effect results in all 10(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 10(b) of Public Law 110, 81st Congress, for each contract.
